Plaintiff, KIRKPATRICK DUNBAR, (“Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues MOON JMK CORP. d/b/a HEAVEN'S FRESH BAGELS, a domestic limited liability company, and ISADOROS G. MICHALOS., individually as domestic corporate owner, both registered in the State of New York, (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1343.

2. Venue is proper in this Court, pursuant to 28 U.S.C. §1391(B) in that all events giving rise to this lawsuit occurred in the State of New York.

3. The violative Premises and the events giving rise to this lawsuit are located at 283 East Houston Street, New York, NY 10002. (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants, MOON JMK CORP. d/b/a HEAVEN'S FRESH BAGELS AND ISADOROS G. MICHALOS are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, MOON JMK CORP. d/b/a HEAVEN'S FRESH BAGELS is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants’ Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, ISADOROS G. MICHALOS is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff's visits to the Premises, and prior to the instant action, Plaintiff was, and still is, a resident of the City and State of New York. Plaintiff is a paraplegic, which constitutes a "qualified disability" under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On October 27, 2022, Plaintiff last attempted to enter Defendants' Premises, which is a few miles from his home, and less than a mile from where he hangs out with his friends on a regular basis, to purchase their signature bagel sandwiches and a coffee around noon. However, because of the architectural barriers at the entrances of the restaurant, such as a step, and inaccessible ramp at the entrance and inaccessible outdoor tables. After getting the attention of an employee, the employee came outside and served Mr. Dunbar his bagel and coffee to him outside on the sidewalk area, while people watch to his embarrassment. As a result of this experience, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants' Premises, which is subject to this instant litigation.

13. Plaintiff is routinely in the neighborhood, exploring the neighborhood, eating at restaurants, and visiting the various in the community and shopping with his daughter. Plaintiff has attempted to enter Defendants' Premises on multiple occasions in the past, but continues to be denied access each time, and therefore suffered an injury in fact. Plaintiff has been to the premises after October 27, 2022 as well, with no change to the access. Plaintiff is currently deterred from going to the restaurant based on his knowledge of the barriers to access that exists and intends on immediately returning to the Premises to purchase their signature bagel sandwiches and coffee once the barriers are removed and the Premises is ADA compliant.

14. Defendants' violations impede upon Plaintiff's, and other similarly situated disabled individuals' right to travel free of discrimination.

**COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

15. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

16. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the “2010 Standards” or “Accessibility Standards”) dictate that property owners and operators of commercial premises being used as “commercial establishments” are responsible for complying with these Federal Accessibility Standards.

17. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs, and/or alterations since January 26, 1990.

18. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants’ Premises, in violation of these Accessibility Standards.

19. The Plaintiff has been unable to and continues to be unable to enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants’ Premises.

20. Plaintiff visited Defendants’ Premises with the intention of utilizing Defendants’ facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and continues to desire to visit the Premises

in the future, but will suffer future harm in that he is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

21. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter “2010 ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

22. The Defendants’ Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. There are changes in level at Property exceeding ½ (one-half) inch that are not properly accessible ramped in violation of section 303.4 of the 2010 ADAAG standards. Specifically, there is an approximately 5 inch vertical rise at the entrance to Heaven’s Hot Bagels, thus rendering the interior of the Property inaccessible at this unit.
- b. In front of Heaven’s Hot Bagels, due to a 5 inch vertical rise in front of the door, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property since it is often necessary for individuals in wheelchairs to need to use their hands to both wheel through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this

ordinarily difficult process is made even more difficult by the presence of an excessive vertical rise.

- c. Not all entrance doors and doorways comply with section 404 of the 2010 ADAAG standards, this is a violation of section 206.4 of the 2010 ADAAG standards.
- d. Due to the accessible barrier present at the accessible entrances, the accessible entrance of the Property lacks at least one accessible route provided within the site to the public streets and sidewalks in violation of section 206.2.1 of the 2010 ADAAG standards.
- e. The Property lacks signage identified by the International Symbol of Accessibility that indicates the location of the nearest entrance complying with section 404 of the 2010 ADAAG standards, if such an entrance exists. This policy decision by Defendant(s) violates section 216.6 of the 2010 ADAAG Standards.
- f. There is not at least one accessible entrance to each tenant space in the building that complies with section 404 of the 2010 ADAAG standards which is a violation of section 206.4.5 of the 2010 ADAAG Standards.
- g. The tables at the premises are not accessible;
- h. Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

23. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

24. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

25. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

26. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.
